JAGGI EXPORT INDIA

Who We Are

Jaggi Export India is a leading brand supplying traditionally manufactured pickles, chutneys, and pastes to your kitchens. We have a vast history of more than ten years of delivering our exotic range of top-notch pickles and chutneys to importers around the globe.

We have also been supplying Indian kitchenwares worldwide since we stepped into the field. Our expert team works diligently in manufacturing authentic, hygienic, and quality-rich products understanding the customers' needs.

We have successfully built trust amongst the clients since we were established in 1998. Our customer range has already been established in more than seven countries and has grown since then.

Authentic

We deliver authentic recipes to your doorsteps and serve you the original Indian tastes on your plates, no matter which part of the globe you reside in.

Hygienic

All of our products are manufactured by experts whose utmost priority is maintaining proper hygiene while preserving the originality of the products.

Well tested

The products we manufacture have to pass all the clinical tests before being out for export. We keep health and hygiene at the top-most priority.

Global

We are a brand exporting our quality products to different countries and are growing and achieving milestones every day.
